The defendant shall undergo a sex-offense-specific evaluation and participate in an outpatient sex offender treatment and/or outpatient mental health treatment program approved by the probation officer. The defendant shall abide by all rules, requirements, and conditions of the treatment program(s) including submission to polygraph testing and refraining from accessing websites, chatrooms, instant messaging, or social networking sites to the extent that the sex offender treatment and/or mental health treatment program determines that such access would be detrimental to the defendant's ongoing treatment. The defendant will not view, access, possess, and/or download any pornography involving adults unless approved by the sex-offender or mental health treatment provider. The defendant must waive his right of confidentiality in any records for mental health assessment and treatment imposed as a consequence of this judgment to allow the probation officer to review the course of treatment and progress with the treatment provider. The defendant must contribute to the cost of services rendered based on his ability to pay and the availability of third-party payments. The Court authorizes the release of available psychological and psychiatric evaluations and reports, including the presentence investigation report, the report of Dr. Must, and the Defendant's sentencing memorandum with attachments, to the sex offender and/or mental health treatment provider. The Defendant will take any prescribed medications and will not discontinue any medications without the permission of medical professionals. Should the Defendant's doctors or treatment programs recommend it, the Defendant may be required to appear in person on a daily basis, at a location specified by Probation, to take his medicine in the presence of someone who can verify that he took it.

The defendant shall permit the U.S. Probation Office to install any application or software that allows it to survey and/or monitor all activity on any computer(s), automated service(s), or connected devices that the defendant will use during the term of supervision and that can access the internet (collectively, the "Devices"), and the U.S. Probation Office is authorized to install such applications or software. The defendant must provide the U.S. Probation Office advance notification of his planned use of any Device(s), and will not utilize any Device(s) without approval until and unless the U.S. Probation Office has determined that it can install a surveillance/monitoring application or software on the Device(s) and has, in fact, installed such an application or software. Any Device(s) subject to monitoring shall have an operating system with a web browser approved by the U.S. Probation Office to ensure that it can be effectively monitored. The defendant will not create or access any internet service provider account or other online service using someone else's account, name, designation or alias. The use of any Device(s) in the course of employment will be monitored or subject to restriction based on consultation with the employer.

The defendant will not access any websites, chatrooms, instant messaging, or social networking sites where the defendant's criminal history - including this conviction - would render such access in violation of the terms of service of that website, chatroom, instant messaging, or social networking site.

The defendant will inform the U.S. Probation Office prior to accessing any websites for the first time, and will not access any such websites until such access is approved by the U.S. Probation Office. The U.S. Probation Office must timely approve any such access unless such access is otherwise barred by the terms of the defendant's supervised release.

The defendant will not view or possess any "visual depiction" (as defined in 18 USC 2256), including any photograph, film, video, picture, or computer-generated image or picture, whether made or produced by electronic, mechanical, or other means, of "sexually explicit conduct" by a minor under the age of 18.
